

Front Rangers Cycling Club

March (Adult) Event

Saturday March 26, 2005, Washington Park to Cherry Creek Reservoir

Front Rangers Cycling Club kicks off the 2004 cycling season with the very popular and spirited adult and junior racer ride. We will meet at 9:30am in the parking lot on the North West corner of Washington park (Just south of Virginia and east of Downing) and be riding by 10:00. We will be using the Alisa Moore-Copeland rule. "We leave at 10. If you're late, you're chasing." We will set a casual pace to Cherry Creek Reservoir, there the group can split up and ride around the reservoir. After a lap or 2, your choice, everyone will meet by the west entrance shack and ride back to Washington Park. We need a new group picture so please wear your FRCC jerseys and bring your smiling faces. We are updating the web site photos. J Thanks

Corky insists that any adults who have not signed and turned in their adult release form to please bring it with them that morning The release form can be printed out from the FRCC web site. www.frontrangersdenver.org/releases

This is the traditional FRCC ride for adults and junior racers. It gives all cyclists a chance to interact and meet the new members. The more the merrier, so please bring a friend, and enjoy the ride!

Good luck to the **17** Front Rangers we have racing this year at the Cherry Creek Time Trial!! It starts April 13, hope you're ready! Make us proud!

Thank you Cindy Braun for all your hard work putting together our annual dinner at Maggiano's! You did a great job and everyone had a great time! We had amazing and inspirational speakers as well as great food and a fun slideshow. The junior elite team was presented with their new bicycles for the season, and Tim ended it off with an inspirational talk and offered some direction in helping out with the Bannock more and becoming more involved with the club. We have a great group of people here working towards a great cause. The kids! Thank you Cindy, and everyone else for all your help!
